

Presenting the Fat-Chilli Summer Eco Project: "Under the Sea"

Sponsored by SEA LIFE centres and Sanctuaries

About the project

The project is operated by Fat Chilli Cards and Gifts and will involve creating an individual piece of artwork with each project participant on an under-water sea life theme. The artwork will be returned to us for processing, and we will send back a free sample card and order form for each child.

There is no cost to the school to run the project, but the school will earn up to 20% commission on sales to parents, relatives, and friends. Any cards purchased with these designs will be suitable for 'birthday' or 'thank you' cards, and there is also a range of nine lovely gift items that parents may purchase that are printed with their child's design.

Artwork on this project needs to be completed and returned to us between 21 February and 31 May 2011. It will take 5-6 weeks to complete the project from our receipt of your artwork. (If you are unable to facilitate the project within these dates please contact us as we may still be able to accommodate the project at a different time).

The project is sponsored by SEA LIFE centres and Sanctuaries

SEA LIFE is kindly sponsoring this project by offering a prize for the best piece of artwork submitted on the project. The winner will receive admittance to one of 10 SEA LIFE centres and Sanctuaries in the UK for themselves and up to 30 classmates.

The artwork submitted on this project will be judged by SEA LIFE in June 2011, they will select a piece of artwork they feel most closely encapsulates the "Under the Sea" theme. The winner will then be notified by Fat-Chilli Cards and Gifts.

The winning school will also have the opportunity to book additional classes of children on the trip should they wish to do so, and these would be offered by SEA LIFE at a very competitive group booking rate.

A range of learning materials can also be found on the SEA LIFE website (ordered in Key Learning Stages) and these can be utilised alongside the national curriculum on this creative art project.

"Under the Sea" Project registration

To register this project for your school, please call us on **0845 058 3907** or register on our website at www.fat-chilli.com.

Book a visit to SEA LIFE centres and Sanctuaries for your school

To book an educational visit to your nearest SEA LIFE centre and Sanctuary in the UK, for more information please visit their website for more details at www.sealife.co.uk/schools.
